.....

Dated:

My personal details

- Your wishes
- Peace of mind
- Eases next-of-kin stresses

You may have said 'I want to be cremated' or 'I want to be buried' but have you thought about the detail of your funeral?

Do you want a particular hymn or peace of music playing?

Do you want people to wear bright clothes?

Do you want something other than a hearse, horses maybe?

Do you want your ashes to be scattered somewhere special to you?

All your wishes can be noted in your 'Fond Farewell'.

Three copies:

- One for you
- Another for your next of kin
- Another for Hardy's Funeral
- Service so that when the time comes we have your wishes
